Know Where Your Food Comes From

[/et_pb_text][et_pb_text admin_label="Main Body Text"
background_layout="light" text_orientation="left"]

Are you a health-conscious grocery shopper, avid chef, committed organic eater or family, looking for a healthier alternative? What better way to cook, create and eat than with produce that has been grown in accordance with organic philosophies. It's healthier, better tasting, and has a sound balance of vitamin, mineral and nutrient content.

At Nature's Haven we already know that our certified organic produce is well received in the market place. But we are answering the call from shoppers everywhere to know where their food is coming from.

Bob the Brolga – “Our Bird” is on a mission is to provide you with honest, healthy produce that you can feel safe giving your family – and the best thing is it is available to you all year round.

Why the bird?

Because the bird flies with the seasons – and so do we!

Come fly with me

Bob will let you easily recognise the consistent quality and supply of produce available from season to season as it is sourced from multiple properties across Eastern Australia.

Eating healthy doesn't have to be a chore, and neither does buying healthy produce. We know that as you come to know Bob better eating healthy will become a breeze.

Bob can tell you that we strive to not only support the health of you, the consumer, through providing healthier organic produce. He can also tell you how the health of the environment is also enhanced by supporting and protecting the beneficial insects and microsystems that work synergistically with the crops to protect them.
